

SIMON ERIC LEE

Home Address: Flat 5, 102 Holland Road, W14 8BD London, United Kingdom
Phone: +447785557860 E-mail: simon.lee10@imperial.ac.uk

EDUCATION

Imperial College London, London, United Kingdom **Expected Jul 2014**

MEng in Mechanical Engineering

- Achieved first class honours in the first three years of study (Dean's list – 2010/2013)
- Modules include: Finance and Financial Management, Management and Business for Engineers, and Technology, Business and the Market

IB School South, Stockholm, Sweden **Aug 2008-Jun 2010**

International Baccalaureate

- Graduated top of class (diploma aggregate of 39)
 - o Swedish B HL: 7
 - o Chemistry SL: 7
 - o English A SL: 5
 - o Mathematics HL: 6
 - o Economics HL: 6
 - o Physics HL: 7

WORK EXPERIENCE

Nomura, Kuala Lumpur, Malaysia **Jul 2013-Sep 2013**

Summer Internship, Equity Research Analyst

- Supported initiation of Asian gaming coverage, including a sector report
- Produced reports following company briefings, site visits and management meetings

Sepakat Setia Perunding (SDN) BHD, Kuala Lumpur, Malaysia **Aug 2012-Sep 2012**

Summer Internship, Engineering Consultancy

- Developed templates for computationally extensive engineering calculations and validation of tasks
- Supported senior engineers in developing creative design solutions

Imperial College London, London, United Kingdom **Jun 2012-Aug 2012**

Student Researcher, Department of Mechanical Engineering

- Researched and implemented collision models of particles in an in-house developed discrete simulation software package
- Entailed the development of several models and later compared their accuracy, computation time and memory usage to ensure implementation of the most appropriate model

Truck Cam AB, Katrineholm, Sweden **Jun 2010-Jul 2010**

Summer Internship, Production Department

- Developed and subsequently organized the production of mounting brackets for an engineering company that designs wheel alignment tool-kits for trucks

LEADERSHIP EXPERIENCE

Design Make and Test Design Project **Oct 2013-Jun 2013**

Project Manager

- Led a group of four students, designing a specialised 3D printer for body armour
- Coordinated and prioritised tasks amongst the group

Student Union - IB School South, Stockholm, Sweden **Aug 2009-Jun 2010**

Co-founder, Treasurer and Authorized Signatory

- Co-founded the Student Union in collaboration with the President and the Vice-President

TECHNICAL SKILLS

Programming	Visual Basic, C, C++, Python, HTML, MATLAB, Latex
Operating Systems	Windows, Unix
Design	Adobe Photoshop, Adobe InDesign
Computed Aided Design	SolidWorks

OTHER

Languages	English and Swedish (native)
Interests	Skiing, Cycling and Cooking
